🚨 THE LOCAL BUSINESS CHALLENGE

Why 92% of Thane Businesses Are Completely Invisible Online

Every single month, over **10,000+ residents** along Ghodbunder Road, Hiranandani Estate, Meadows, and Manpada search Google for trusted doctors, salons, repair labs, and cafes.

Yet traditional agencies charge **₹20,000/month** for generic stock posters that get zero calls and zero walk-ins.

THE BIG BYTE ADVANTAGE

Introducing Big Byte Social Studio: Autonomous Local Dominance

We built Thane's first **hyperlocal social engine**. We don't post generic templates. We generate punchy, high-retention 4K Video Shorts, high-contrast click-worthy thumbnails, and exact Google Map Local SEO keywords.

Every post is engineered with natural Indian neural voiceovers, authentic localized landmarks (Opp D-Mart, Near Khewra Circle), and zero robotic speech.

"4K Vertical Video Reels + High-CTR Thumbnails + Exact GPS Landmarks = Daily Walk-in Clients!"
